- you are a citizen and hold a passport from UK, USA, Canada, NZ or Republic of Ireland
- you are an applicant who is a Foreign Affairs or, Defence sponsored student or a Secondary Exchange student (AASES)
- you are enrolled in a principal course of study that is a registered school course, a standalone English Language Intensive Course for Overseas Students (ELICOS), a course registered to be delivered in a

language other than English, or a registered post-graduate research course

- you have completed at least 5 years' study in English in one or more of the following countries: Australia, UK, USA, Canada, New Zealand, South Africa, or the Republic of Ireland
- in the 2 years before applying for enrolment, you completed, in Australia and in the English language, either the Senior Secondary Certificate of Education or a substantial component of a course leading to a qualification from the Australian Qualifications Framework at the Certificate IV or higher level, while you held a student visa.

Note: You may be required to provide evidence of an English test score with your visa application if you hold a British National Overseas (BNO) passport.

LLN Requirement:

All students will be required to undertake, and satisfactorily complete VCI LLN Test conducted by a qualified assessor which includes a written test and interview to complete the verbal component of the test. The test will be completed on the day of Orientation at the VCI campus. A student support officer will schedule a time between the students and the assessor to conduct this test.

The purpose of the test is to determine whether the student requires any additional support in order to complete the course successfully. Further, this helps VCI identify if we can provide the students the level of support they require prior to commencement or if they will need to seek assistance from external agencies. For learners that do not have the required LLN levels, they will be provided additional support or provided external options for accessing further training and support during the enrolment in the course. This will be in accordance with VCI's student support policy and procedures.

The following table outlines the expected entry ACSF levels for each of the core foundation skills – Learning, Writing, Oral communication, Reading and Numeracy.

Core Skill	Expected Entry Level
Oral Communication	Level 3
Learning	Level 3
Writing	Level 3
Reading	Level 3
Numeracy	Level 3

AUR30620 Certificate III in Light Vehicle Mechanical Technology (103880F)

Expected entry levels are the minimum levels at which a student is expected to be at upon entry into the course. Students may have higher level skills which is fine. If a student is identified to not meet the minimum entry levels in any of the course skills, and where the assessor deems that VCI is able to provide additional support and has the appropriate mechanisms in place to support the student in development of the skill, then the learner can be accepted into this course. A learner strategy will be required to be put in place for the student.

Where a learner does not meet the expected entry levels for multiple core skills, it may be appropriate to refer them to a preparatory foundation skills course first prior to commencing the program.

Further information about LLN test and student support is included in the LLN Assessment Pack and the Student Support policy and procedures.
